

PRODUCTION ROASTER ASSOCIATE

Swing's Coffee Roasters is hiring a full-time production roaster associate. This back-of-house position and works closely within a small team to fulfill wholesale and retail orders. Duties and requirements include but not limited to:

- Working with the Director of Coffee Operations and roasting team to manage roasts
- Learning to production roast on our Probat coffee roasters
- Assisting the wholesale production team with fulfillment of coffee orders
- Ability to use light tools to work on, diagnose, and maintain roaster function
- Managing some aspects of Swing's Cold Brew fulfillment
- Assist in data capture and analysis of daily roasting activity
- Some light duty driving and customer deliveries
- General warehouse organizational and cleaning duties
- Use forklift and hydraulic lifts, moving products and pallets to ensure organization of warehouse
- All applicants must be able to lift 75 lbs, have a clean driving history, and demonstrate a track record of showing initiative and getting the job done.
- Can take direction, but is fundamentally a self-starter

This person must be a team player and can perform multiple functions throughout the day. This position reports directly to the Director of Coffee Operations. Send resumes to neil [at] swingscoffee [dot] com
